CARTOON NOTES

Whoa, talk about subliminal messages! It's a good thing that doesn't happen in real life. Or does it?

Anyway, let's check out the tons of POWERPUFF GIRLS mail.

Dear POWERPUFF GIRLS:

Hi. I recently became a big fan of the POWERPUFF GIRLS and am very impressed with the cartoon so far. When I heard that there was going to be a new comic book starring the Girls, I was ecstatic and couldn't wait until the day that I could go down to the local comic-book store and get the very first issue. My favorite thing to do is to have my boyfriend Ron (a.k.a. "Keeper" to his friends) read it to me. He does a lot of the voices for the characters really well (though I think I can do a pretty good Blossom myself), especially Mojo Jojo.

I also like to doodle the Girls onto letters and cards to my friends, so I've decided to include a drawing of them with this letter.

As for suggestions, my only suggestion for you is to keep up

the good work so that I can look forward to the comic every month! Thanks so much!

Dear POWERPUFF GIRLS:

I know Buttercup is the only tuff POWERPUFF GIRL. So I invented Blaze to be another POWERPUFF GIRL.

Dear POWERPUFF Designers:

I have always cherished the POWERPUFF GIRLS. I have many of their collectibles. I've noticed that Buttercup is always furious. She always frowns on the shirts! I have drawn a before-and-after makeover picture of Buttercup. The Before Picture shows Buttercup with dark hair, frowning and green color. The After Picture shows Buttercup with a smile, cut hair and new color that matches her new personality and her name. I love the Girls! Well, hope you like the pictures!

We tried to cut Buttercup's hair and give her a new yellow dress, but it didn't work out very well (gee, I never realized how hard it is to type with a black eye). Washington isn't very far from Townsville, especially for a little girl who can fly, so I think it would be a good idea if you didn't go home for the next couple of days...at least until until about 8 pm — that's her bedtime.

Other DC Kids' Titles:

Dexter's Laboratory #15: When Dee-Dee needs a new goldfish, Dexter gets "Totally Tanked" trying to help; plus, Dexter sets out to create the perfect winter weapon in "The Abominable Snowball"!

Looney Tunes #70: Who wants to be a millionaire? Porky! But Daffy won't let him! Also, Bugs phones in his performance as Elmer fumes; and Yosemite Sam meets the Three Bears!

Cartoon Network Starring #15: It's Zorak's birthday and you're not invited. But everyone else is! Plus: Who stole Space Ghost's power bands?

Scooby-Doo #40: The gang discovers a towering terror in a clock tower in "Roc Around the Clock"; also, Mystery Inc. tours everyone's favorite haunts of London in "Ghost Tour"!

This issue's cover by Phil Moy.

next issue:

Ms. Bellum's on vacation, so the Mayor's in charge of Townsville — and we all know that's bad news! The Girls cope with City Hall craziness in "Mayor, May I." Written by Sean Carolan and Jennifer Moore; art by Phil Moy; cover by Moy.
